🎯 GAME OBJECTIVE

Discover the prize kept in each line of figurines until reaching the "Great Monkey Treasure", winning everything accumulated so far!!!

🎯 GAME RULES

The player operates the slingshot by choosing an option in each line, and the figurine will change to one of these 3 colors:

- Green: contains prizes that the player will be accumulating.
- Golden: gives the chance to play the Bonus.
- Red: ends the game.

At any point after the third line, the player can choose to collect the winnings and the end the game.

🎯 BONUS

if the player hits a golden figurine, the Bonus is activated and three chests are displayed. One of them hides the additional prize: to win the amount bet at the beginning of the game, on top of accumulated amount.
