CUSTOMIZATION

Players can select to play with one to four cards, each one can be turned on and off prior to play. Carnival is available in three gameplay speed options: slow, fast, or turbo ball mode.

EXTRA BALL

Up to three balls are offered when only one ball is left to win a double line or a full house on any active card, even when playing with more than one card.

WILD BALL

Comes into play randomly and takes the value of the number players need the most, allowing them to complete the highest possible pattern to win when they least expect it.
